【約 John 1:1~3】

II. The Angels were created by Jesus. 天使是受耶穌所造的。

【西 Col 1:16~17】

III. The World is sustained by Him 萬物是因主耶穌而得以站立。

Reflections

1. “The Heavens declare the glory of God, and the skies above proclaim his handiwork” (Ps 19:1). Though not audible voice as we human beings used to hear, the nature has its own voice to make a statement. What is this statement? Would this statement helps you to know more about our God? “諸天訴說神的榮耀, 穹蒼傳揚祂的手段。”雖然自然界沒有我們所習慣的聽得到的語言, 但是他們有自己的聲音來傳達一個信息. 他們傳達的是一個甚麼樣的信息? 這信息對於你認識神有甚麼樣的幫助?

2. All the music in our human history that continues for centuries all seems to have a connection with the eternal God. The nature seems to have a music of their own, and never ending. Does it say something about our God? 人類歷史上膾炙人口的音樂, 都和永恆的神有多少的關係. 自然界好像也在演奏一個從來不停止的音樂. 這是不是啟示我們對這位神有更進一步的認識呢?
