Conclusion 結論

Reflections

1. Fate governs our thought subtly. Fate is an amoral power controls our life without reason. Bible does not support this kind of thinking. Are you used to this kind of negative thinking in your thought life? Do you see inspiration from the testimony for a change in your thought life? How are you going to proceed with the change? 我是不是潛意識的相信著命運? “命運”是一個沒有道德標準的巨大力量, 沒有任何理由的控制著我們的生命. 聖經沒有教導也不支持“命運”的觀念. 若你相信命運, 今天的見證給你甚麼樣的啟發, 讓你可以改變你的思想生活? 你要如何的開始這樣的改變?

2. The attack of the evil spirits seem not to be bound by country borders. God's protection for sure supersedes the country borders. Our victory could be carried across country lines. How are you going to exercise your right as child of God in the whole world? 邪靈的攻擊似乎超越地上的國界. 上帝的保護也是超乎地上的國界. 我們的得勝也可以是普世性的. 成為神的兒女的這個身分, 如何讓你在世界各地都可以得到自由?
