

Members of One Another

互為肢體

Romans 12:5

【羅 Rom 12:5】

【林前 1Cor 12:12~27】

I. Diversity yet Interdependency 相異卻相連的特性.

【林前 1Cor 12:14】

【林前 1Cor 12:21】

II. Humility yet in mutual need. 謙卑但是卻是彼此需要的服事.

III. Unity in Christ 在基督裡面的合一

【太 Matt 3:9】

Application 應用

【林前 1Cor 12:23】

Reflections:

1. The Bible uses the illustration of “members of one another” to illustrate the relationship of the church members, does it strike you with any major difference when compared with the organizations in the world? 聖經用“互為肢體”的觀念來闡述教會中弟兄姊妹的關係, 和世界上的機構有甚麼大的不一樣呢?

2. Using this illustration of Paul’s “members to one another”, what kind of member do you think you are? 用保羅的這個“互為肢體”的比喻, 你覺得你比較像是哪一種肢體呢?
