

Psalm 123

I. 我們的主是可以期望的主 **Our Lord is someone that we can look to.**
(vv. 1-2)

【太 Matt 12:15~21】

II. 我們是主所憐憫的僕人 **We are the servants that the Lord's**
compassion falls. (vv. 3-4)

【路 Luke 17:5~10】

III. **It looks like before the Lord acts, there will be extreme contempt**
and ample scorn from our adversary. 在我們的主動手之前, 似乎會有
極端的藐視和諸多的譏諷 **(vv. 4).**

A. God inflicted Miriam for Moses. 神讓米利暗得麻瘋的例子(民 Num 12:1-16):

B. God made the earth swallow Korah party. 神讓可拉黨入地洞的例子(民 Num 16:1-5)

Conclusion 結論

Reflections:

1. There seems to be a cultural difference in the setting of Psalm 123 and our modern society. We do not look at ourselves as slaves and need to look upon the mercy of our master. Do you think this psalm is difficult for the modern day "able" people to apply in their daily lives? If so, how would you apply for it in your lives? 詩篇 123 篇的文化背景似乎很不同於現代的文化背景. 我們不認為我們是“奴隸”, 需要主人的憐憫來過生活. 你會不會覺得詩篇 123 篇對於現代的人, “能力不錯”的人來說, 不太容易應用在我們的生活上? 若果如此, 你覺得可以如何應用詩篇 123 篇在你的生活上.
