God is always in control, even in the terrible tribulation. He is a good God.

- Righteousness is always going to prevail.

公義是神治理的根基.

- God is a good and sovereign God, and he will make his children turning good.

- Good is going to prevail over evil.

這個很重要. 以前是真理, 現在是逐漸消失的真理. 但是再一次確認, 善必終將勝過惡.

- We need to prevail in long suffering for his goodness is always with us.

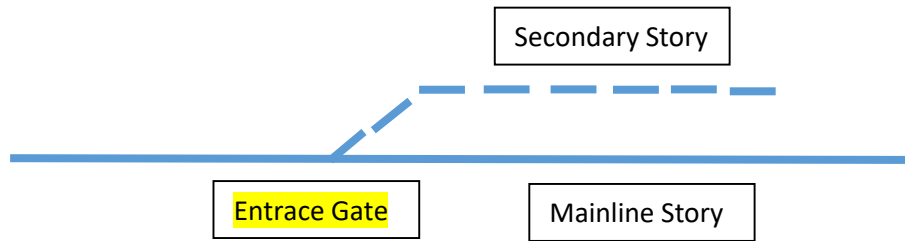

Reflections:

- Do you think the truth is for our reference only, or, it will be enforced by God? 你認為真理是給我們參考用的, 還是神會用它來審判我們?
