Reflections

1. Our church (and most churches) has (have) focused our effort in spreading the gospel to as many individuals as possible. Our hope is to receive as many converts as possible before we finish our earthly journey for the Lord. This is our most important work as a church. In doing it, we cannot lose the overall picture that it is ultimately the Kingdom that our Lord painted for us. How do you do the first and not lose sight of the second?

我們的教會像世界上許多的教會一樣, 把所有的力量放在傳福音帶人信主的事工上面. 這是我們有限的力量所必須注重的首要之區. 在集中全力傳揚福音的時候, 我們不能忘掉主耶穌為我們勾畫的是一個國度的願景. 如何我們可以努力第一項, 而不至於忘掉第二項呢?
